

TEENAGE MUTANT NINJA TURTLES®

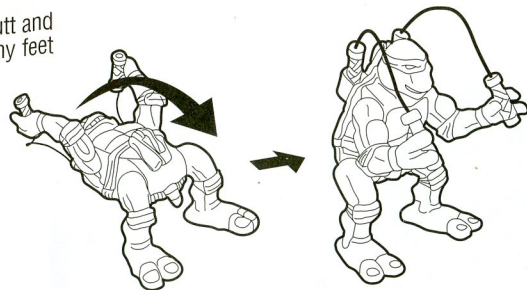

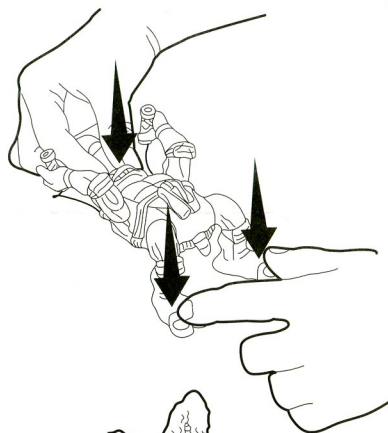

NINJA ACTION MICHELANGELO®

Whazzup! Ninja Action Michelangelo here, ready to rock and roll! Please follow these instructions in order to help me flip up off my back onto my feet, my nasty nunchakus spinning! Then learn how to help me break down a wooden gate so that I can go after some Purple Dragons!

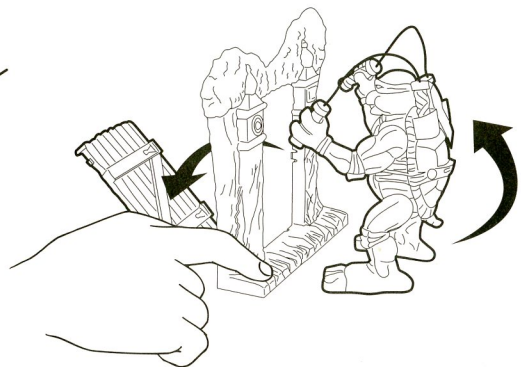

1. First, line up both my arms and front shell (my plastron) with their small yellow lines, placing one nunchaku in each hand so that the opposite grip of each nunchaku rests on my back shell.

2. Now bend my feet back up towards my butt and lay me down on my back shell, keeping my feet flat on the ground.

3. And then stand back, dudes! Watch as I spring up onto my feet, my twin nunchakus spinning! Do I rule or do I rule?!

4. Next up is to head out on a Ninja Action mission - breaking down a wooden gate so I can chase after some Purple Dragons! Please assemble the two-piece doorway and set it upright.

5. Position me just as you did in steps 1 and 2. Then place me close to the gate, with my feet facing it. Hold the base of the gate and watch me break it down with my fists of fury!
