

TEENAGE MUTANT NINJA TURTLES

NINJA ACTION FOOT SOLDIER™

We are the Foot clan and now we have Ninja Action! Please follow these instructions in order to help me flip up off my back and onto my feet, with twin blades flailing! Then learn how to help me break down a brick wall so I can perform my evil ninja deeds!

3. Then stand back! Watch as I spring onto my feet, ready to slice mutant freaks!

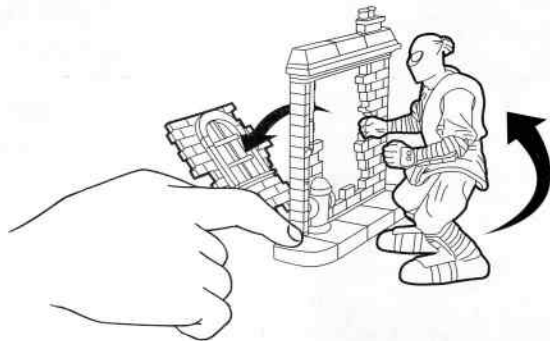

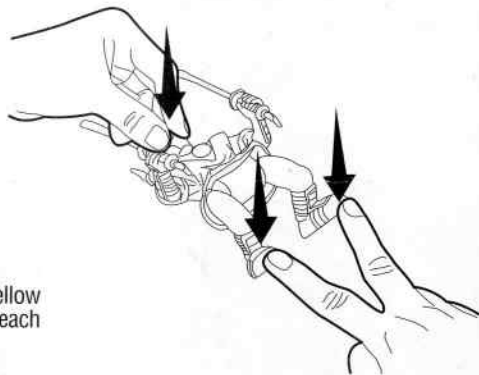

1. First, line up both my arms with the small yellow lines on my ninja suit, placing one sword in each hand.

4. Next we must master my Ninja Action mission - breaking down the brick wall. Please assemble the two piece wall and set it upright. If the Shredder wants to break the wall down, we'll break it down!

2. Now bend my feet back up towards my back and lay me down, keeping my heels pointed on the ground.

5. Position me just as you did in steps 1 and 2. Then set me close to the gate, with my feet facing it. Hold the base of the gate and watch me break it down with my Foot fists of fury!
