

COMBAT CRUISERS MIKE INSTRUCTIONS

1. Get ready to cruise into battle and kick some shell! First, snap both Fork-mounted Missile units on to both the left and right sides of the Combat Cruiser's front fork. You are now ready to press their buttons and fire!

2. Next, choose your weapons for battle! With your parent's help, carefully cut the weapons from the Ninja Warrior Weapons Wall. (You can later use the holding pieces in the Weapons Wall to store your weapons when not in use.)

3. Now snap on both back tires' Battle Armor Wheel Shields.

4. Finally, attach Mike's Too Cool Wrench Nunchakus to his belt, seat Mike on his Battle Cruiser and place his hands on the adjustable handle bars and his feet on the adjustable foot pegs! Time to cruise!
