

TEENAGE MUTANT NINJA TURTLES

Kids,
follow these
simple blueprints,
it's easy!

Assembly

- Attach official chrome dome helmet to rear of Shreddermobile as shown. Plug shreddin' missiles (2) to each side of official chrome dome helmet. Snap rotatin' Turtle trackin' laser to front of official chrome dome helmet as indicated.
- Attach cunning crosshairs to center dashboard, as shown.
- Plug head honcho lights behind bouncin' Turtle head radiator, as indicated.
- Snap rude, reciprocatin' rifles (2) to front of Shreddermobile as indicated.
- Attach side slicin' wheel rims (4) to middle of each wheel as shown.
- Place labels 1-14 as indicated.

Directions

- Place Shredder or other evil Foot Clan member in the driver's seat.
- Push the Shreddermobile on the floor and watch as the reciprocatin' rude rifles and bouncin' Turtle head radiator do their stuff!
