**Shogun Shredder:  
The Spiked Terrorizer of Turtles**

The darkness o' the night lays flat against the unyielding battleground of the Shogun warriors. Here the shadows hold many terrors, but none so frightening as Shogun Shredder. His spiked metallized armor protects him from anything the Turtles can throw at him, and it's non-stick surface is easy to wipe clean. Each spike on Shredder's metallized armor is designed to terrorize and tear the Turtles into tiny Turtle treats. He's out to prove to the Turtles beyond a shadow of a doubt that what you can't see can hurt you. With only the sound of a gentle breeze, Shredder can draw his short Shogun sword, and the battle begins! Be on your guard Turtles! Shredder is a Shogun now--and that means no free pizzas after six!
