**Shogun Splinter:
The Radical Turtle Teachin' Rat**

Beneath the thunderstruck battlefields, where Shogun warriors lay wounded from Mutant maulings or dance a hero's dance of victory, a silent master meanders through the maze of sewers, returning to his peaceful lair. It is Shogun Splinter, the plotter, the omniscient one. Shogun Splinter, the radical rat who conjures the spirit of honor while snacking on a wedge of cheese is the midnight master--the teacher of Turtles. And he's armed with metallized weapons of a confident Shogun sensei: the dreaded loop rat knife never leaves a victim without leaving 'em in pieces; the notorious battle bow and arrow is on target, no matter how mean or menacing the enemy. Shogun Splinter is swift and smart, courageous and noble. He is in the highest order of all warriors. For a rat, that's pretty good!
