

TEENAGE MUTANT NINJA TURTLES

Follow these
simple blueprints
it's easy!

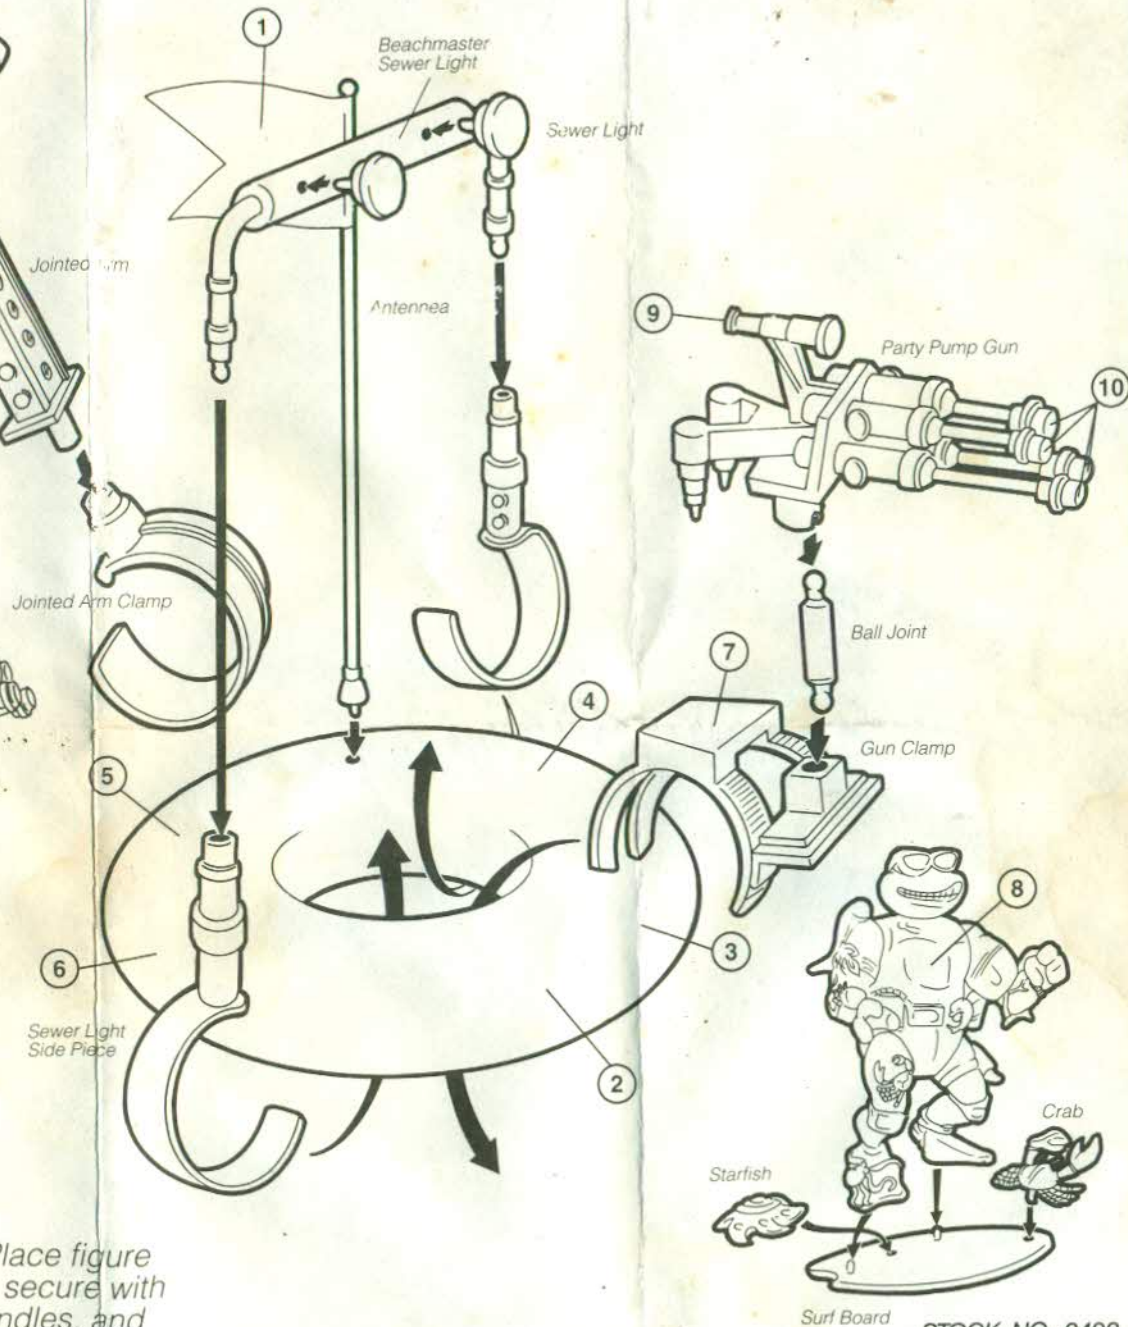

Footnet

Assembly

- Plug Party Pump Gun to Ball Joint. Plug Gun and Ball Joint to Gun Clamp.
- Clamp Party Pump Gun Unit to front of tube as shown.
- Plug Beachmaster Sewer Light side pieces and two (2) Sewer Lights to top piece of Sewer Light Unit.
- Clamp Beachmaster Sewer Light Unit to sides of tube as shown.
- Assemble three (3) parts of Jointed Arm as shown. Plug Jointed Arm to top of Jointed Arm Clamp.
- Clamp Jointed Arm Unit to side of tube as shown.
- Plug Antenna to back of tube.
- Place the Starfish and Crab on the Surf Board as shown.
- The figure can also be mounted to the Surf Board as shown.
- Place labels (1-10) as shown.

Directions

- For floating fun: Place figure in center of tube, secure with hands on gun handles, and place in water.
- Roll up footnet and place in jointed arm loop. Release footnet by detaching end of loop or sliding footnet out side of loop.
- NOTE: Let tube and figures dry between uses.
