

METAL MUTANTS™

TEENAGE MUTANT NINJA
TURTLES®

Kids,
follow these
simple blueprints,
it's easy!

DIRECTIONS

To waste the Foot with this awesome, armored attack cycle:

- Place your favorite Metal Mutant Turtle on the Metal Mutant Cycle seat. Make sure you secure his hands to the handlebars.
- Push the Metal Mutant Cycle forward and watch the Katana Blades chop and dice!
- Swing down the Sai-Styled Kickstand underneath the Cycle (as shown in Diagram A.) to keep the cycle up right after finishing your ride.
- For hand to hand battle protection don't forget to use the Detachable Silver Metallized Windshield.
- Watch the Foot duck and dodge the barrage of Detachable Mutant Bombs.

WARNING:
CHOKING HAZARD - Small parts.
Not for children under 3 years.

Playmates® NO. 3029
AGES 4 AND UP

Assembly

- Snap the Handlebar Lanterns (2) to each end of the Handlebar, and attach the Handlebar to the top of the Cycle as shown.
- Attach the Sword Sissybar to the rear of the Cycle.
- Plug The (4) Detachable Mutant Bombs into the rear Saddlebags, as shown.
- Snap the Slicin' Action Katana Blades (2) to each of the rear battle blade holders.
- Plug the Feather-Filled Foot Rests (2) to the top side of the radical running boards.
- Place labels 1-6 as shown.
