HERE'S HOW TO MUTATE YOUR BAD BOY BIKER RAPH™ STREET CYCLE INTO ATTACK MODE:

Insert the Side Slicin' Bumper Chain's posts into the holes on both sides of the cycle. (See Diagram 1a).

Place Raph on his seat, putting his hands on the E-Z grip handle bars. Turn his hands at the wrist to fit onto the handle bars. Make sure Raph's legs go on the inside of the Side Slicin' Bumper Chains. (See Diagram 2).

To load and fire Spring-powered Missile, insert the missile all the way back into missile launcher. To fire, pop up the Spring Powered missile launcher from its secret hiding place by pressing the button on the side of the engine. (See Diagram 3a). The press the launch button on top of the missile launcher to fire away. (See Diagram 3b). Bad Boy Biker Raph will need all the firepower he can get to keep on the trail of the elusively evil Elite Guard.
